## TO BID UNDERSTANDINGLY, THIS MUST BE READ CAREFULLY

Coins and medals are sold at so much per piece, U. S. proof sets excepted. You cannot bid for *one piece* in a lot. If a lot contains ten pieces, and you desire to offer \$2 for it, make your bid 20c. The auctioneer will accept an advance of 1 cent up to 50c., then 5c. up to \$2.50, when 10c. is the limit, up to \$10, and thereafter not less than 25c. Hence any bid up to 50c. can be entertained, but after that the bid must be 55c., 60c., and so on. Such offers as 53c., \$1.01, and all intermediate figures are unavailable.

My terms for buying are 10%, and I make no charge less than 25 cents.

 Auction Sales are strictly for cash. Parties unknown to me must send a deposit covering at least 25% of their bids, otherwise they will not be accepted.

COLONIAL AND CONTINENTAL NOTES, ETC., WITH A FEW PORTRAITS AND  
AUTOGRAPHS OF MEN OF THE TIME, COLLECTED BY THE LATE  
ALEXANDER BALMANNO OF BROOKLYN, N. Y.

The collection here offered is one that has rarely been equalled, and possibly never surpassed; certainly nothing approaching it has been submitted for many years.

The notes were mounted in two finely bound volumes; pieces were cut out from the sheets a trifle smaller than the notes, in order to show both sides; just a trifle of the margin adheres to the sheet, and it is artistically done. The leaves have been removed and cut up for convenience in offering, leaving them as mounted with a margin of the white paper, and they may easily be divested of this encumbrance.
